

*We get you out of the printer business  
& back to your business*

## Business Value

Are you pouring valuable dollars down the drain with unmanaged print, copy and document workflow processes? The Pearson-Kelly Office Products **EZ fleet** program is the professional assessment and ongoing management of your hardcopy print devices such as printers, scanners, copiers and fax machines. This program helps organizations lower costs, reduce their carbon footprint and improve business processes.

## Program Features

- Nationwide Service & Support
- Help Desk & Triage
- Automated Supply Fulfillment
- Automated Meter Collection
- Live Reporting via Web Portal
- Streamlined Toner Delivery
- On-going Fleet Recommendations
- On-going Program Review
- Reduce Burden on IT Staff
- Extends the Life of Your Assets
- Fix It instead of Just Replacing it

*What is shocking is that 90% of companies don't track their printing costs.*

Buyers Laboratory

*Office printing consumes 1-3% of a company's annual revenue.*

Gartner Group

*For every \$1 spent on printing it takes another \$9 to manage it.*

All Associates Group

417-877-0003
